Yet another absolute gem has arrived on the forecourt here at acar2go, The Ford Fiesta Style Plus!

The Ford Fiesta is a supermini in a class of its own, it looks stylish and is great fun to drive. The Fiesta is one of the market leading cars in its class and it is clear to see why.

The Ford Fiesta is not just good to drive for a supermini, it's one of the best cars to drive of any class and it is a long way ahead of its rivals in this category. The steering is superb, the car is agile and responsive, there's loads of grip, it's good around town as well as on the motorway and it feels fun.

This one in particular comes complete with Full Service History including 4 stamps in the book for that extra piece of mind that the previous owner has looked after their vehicle.

At acar2go we bend over backwards to ensure that we deliver customer service which really is second to none. Not only do we look after our customers before and during the sale but afterwards too. We're Approved by the Trading Standards as well on the Buy With Confidence scheme to give you that all-important peace of mind everybody wants when buying a used car. What's not to like?

As with all of our cars, it's fully HPi clear and comes to you with the promise of a no pressure, genuine sale from people who actually care, read our reviews!
