The Ford Fiesta is one of the most sought after vehicle on the used car market and this 1.6 TDCi Econetic Titanium Model that has just arrived at acar2go is at the top of everyone's list!

The Ford Fiesta is a supermini in a class of its own, it looks stylish, it's great fun to drive and extremely economical.

This is not your normal fiesta being The Econetic is a real money saver, the 1.6 diesel engine returns a staggering combined MPG of 68.9 and a mind blowing 78.5MPG on a run.

Not only do you get amazing MPG but you also get ZERO road tax, so no more of those nasty reminders every year having to spend your hard earnt money on road tax.

They are not just good to drive for a supermini, they are one of the best cars to drive of any class and it is a long way ahead of its rivals in this category. The steering is superb, the car is agile and responsive, there's loads of grip, it's good around town as well as on the motorway and it feels fun.

This really is a car that will be snapped up quick by an eagle eyed customer, so be even quicker to avoid disappointment.
