Even before you've looked through the details of this Ibiza there is one thing that has drawn your eyes to it, the stunning White exterior!

It's always nice to know that your car has been cared for, just as you would your child on their birthday... this one really has been treated once every year to a service which has allowed for a Full history of 2 stamps since it left the factory in September 2014, even though the mileage intervals have never been hit with an impressive average of just 7,000 miles a year!

I'm sure you wouldn't mind spending your summer year in year out in sunny old Ibiza... and I would argue the case for the SEAT that when driven, experienced and owned, it's the car you won't want to part with, regardless of the weather, year in... year out!

Be quick as we guarantee this car won't be here for long!
