Set Of Quarterly Proceedings Of The Geologists' Association 1972 To 1979. Good Condition Reference Volumes Covering A Particularly Interesting Period.

The 28 publications being offered for sale here as one lot cover a particularly interesting period of geological research - for both individual enthusiasts and relevant organisations.

The Geologists' Association is a UK based charitable organisation founded in 1858 which exists for both professional and amateur geologists and earth scientists.

This is an unusual opportunity to acquire a collection of paperback volumes published by Benham & Co. Ltd., on behalf of the Association, directly from one of its former members, and at a fraction of the price each volume would achieve if sold individually.

These detailed and highly educational reference journals contain some black and white photographs and line drawings. Certain editions have fold out diagrams.

The approximate size of each volume is either: 14 cm x 22 cm or 19 cm x 24.5 cm (the latter being later editions).

These items are in good overall condition with a few signs of light use - commensurate with their age.

This set is comprised of the following specific publications:

- 1972 Volume 83 Parts 1 to 4
- 1973 Volume 84 Parts 1 to 4
- 1974 Volume 85 Parts 1 to 4
- 1975 Volume 86 Parts 1 to 4
- 1976 Volume 87 Parts 1 to 4

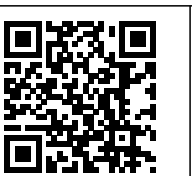

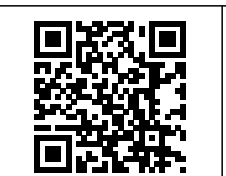

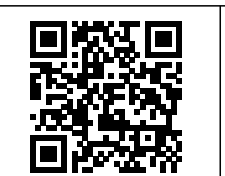

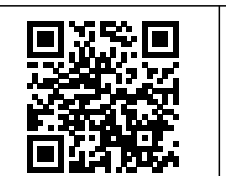

1977 Volume 88 Parts 1 to 4

1978 Volume 89 Parts 1 to 4

1979 Volume 90 Parts 1 to 4

I will do my best to ensure the best possible contact, and try to ensure that all items are collected in good time. However, it is essential, I would like to see the items in person to ensure they are in good condition. If you are unable to visit, I will be happy to arrange for the items to be delivered to a local address in mainland Great Britain, but this will be at an additional £16.50. In this situation I would make every reasonable effort to pack them as carefully as possible so as to help ensure their safety. Regret to return accepted.

Please note that in addition I have a small number of single volumes available for sale individually. Please contact me if you would like more information on these. Thank you.
