

Mini Carpet Bowls By Townsend Croquet Limited. Complete. Unused. Undamaged. As New. Indoor Game For Children And Adults.

This indoor game is great fun at any time, for children and adults, and is particularly handy when the weather is miserable or it is too dark outside. It can be played on an area as small as 4 metres by 1.5 metres.

These mini carpet bowls are in excellent condition; although they are pre-owned they have never been used. They are complete, accompanied by the rules of the game, undamaged, and in their original attractive dark green cardboard storage box with gold lettering. There are a few small marks on the lid of the box, which are barely noticeable. This is a private sale from a pet and smoke free home. Since its acquisition this unwanted gift has been stored in a clean, dry environment.

Please study the photographs provided to make your own assessment regarding the condition of this item.

The box contains: eight black bowls (four with a red identification spot and four with a blue spot), a white jack, and a rule card.

These good quality bowls are made from injection moulded plastic, in England, by the well known and respected company Townsend Croquet Limited. Copyrighted 1991. Patent Number: 2275874.

This game is designed to be played by either two individuals or two teams. The rules include a caution that it is not suitable for children under three years of age. A sticker on the underside of the storage box states that the game is suitable for children aged 6 and over, as well as for adults.

When not in use this game takes up very little space as the approximate size of the storage box is only 6

cm high x 23.5 cm wide (left to right) x 11 cm deep (front to back)
