Crafter D-6 Acoustic Guitar with Quik Lok QL632 Stand & Seiko ST737 Tuner in very good used condition.

Full details of the D6 series can be found on the crafterguitars website.

Also comes with J.H.S. soft case, that is functional, but tatty and several quality guitar books.

Reason for sale is that I hardly play anymore and if I do, I play my Classical guitar instead.

Purchased from Bullfrog East Grinstead several years ago. The guitar will need new string as the current ones have not beeen replaced for some time time.

This is one up from a beginners guitar in my opinion.

Please email to arrange collection and I will provide a telephone number. However, the guitar is sold to the first person who knocks on my door, so please call before starting any journey to collect.

The guitar and items together are being sold for £150 and I will not split or accept offers. You are not obliged to collect everything if you do not want to or to purchase the guitar if it turns out not to be what you are looking for.

If a collection has been arranged, I will update the ad.

I am based in Turners Hill Park, West Sussex. RH10 4QZ.

Regards

D-6
