

complete in car audio set up for sale (110 GBP)

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-588285-z>

here for sale is a complete car stereo setup
setup includes as follows

pyle power (pla2378) 2000 watt 2 channel bridgeable mosfet amplifier
Bass face SPL12.4 12" Inch 30cm 2x2Ohm DVC Subwoofer 2500w RMS
complete with box (manufactured)
Bass face CAP2.1 2 Farad Car Audio Power Cap Capacitor Amp Digital Display 12v
Sony (cdx dab500u) detachable facia head unit has dab. aux. usb. cd no bluetooth
52x4 watts output. all over outputs on the back of system for sub etc
includes cage and facia cover
also included is a wiring harness/wiring converter to fit most cars not sure of all models no wires have
been cut
and complete wiring setup including live wire rcas remote wire etc
all that you see in pics
All of the setup is in perfect working order
been setup to get the best sound in my car
The setup all sounds amazing together
plenty of punch
really bassy
selling as a whole (not splitting) as need room

genuine reason for selling is upgraded to new car and cant fit system in it to much work
the system and car is in good new condition
also perfect bassy as when you hear it
also the other is worth more than the really good for all you want
the setup you can find in the car everything is the same
for anymore information call john on 07787603925 077876039... (click to reveal full phone number) (calls

only) thanks for
