We provide Pre-U tuition across the UK for CIE Pre-U French, German and Spanish - Principal Course (PC) and Short Course (SC).

Our Pre-U French, German and Spanish lessons focus on developing the four core language skills examined - reading, writing, listening and speaking – as well as exploring and developing topic areas, cultural topics, prepared topics and set texts.

Our Pre-U lessons emphasise tailored presentation, targeted practice and personalised feedback, using a bank of proprietary resources, questions and papers, as well as past and specimen papers, to enhance fluency and accuracy, develop vocabulary and grammatical control, build confidence and provide enjoyment and stimulation.

We provide an informal assessment for each tutee at the outset. This provides focus and clarity for the preparation process, allowing us to target accurately where each tutee needs particular support.

Working through the relevant Pre-U specification (PC or SC), our Pre-U lessons are also interactive and fun, developing our tutees' language skills, time management skills, and their ability to respond effectively to the variety of question types found in Pre-U French, German and Spanish examinations.

Our Pre-U French, German and Spanish lessons help to develop our tutees':

Understanding of the different types of written French, German or Spanish (including newspaper articles, short stories, essays, and other types of advanced written communication); the presentation and discussion of articles on key areas and related topics;

Understanding of spoken French, German or Spanish in a variety of contexts (including formal interviews, informal dialogue, extracts from lectures and seminars and academic reports);

Ability to write French, German or Spanish confidently and accurately, demonstrating fluency and structure, for a variety of purposes (including essays on topic areas, cultural topics and set texts, précis, dictations, cloze tests, and translations);

Understanding of the different types of written French, German or Spanish (including newspaper articles,

PRE-U TUTOR REGISTRATION

We follow a highly-selective framework for registering all our Pre-U tutors. We undertake a number of checks on all applicants before they can register with us. Around 50% of our applicants are turned away, as they don't reach our stringent requirements; this ensures that our Pre-U tutees will always receive an experienced, highly qualified Pre-U tutor, with a proven track record, who is passionate about tutoring Pre-U French, German or Spanish. All Pre-U tutors must have DBS Enhanced Disclosure before they are fully registered.

PRE-U TUTORING ARRANGEMENTS

We tutor in the comfort of your home, online (via Skype or FaceTime), or at the home of one of our specialist Pre-U tutors, at a time that is most convenient for you.

Our Pre-U tutors are flexible and adaptable and they plan strategically to offer each Pre-U tutee multiple avenues through which they can access, understand, and apply what they learn. To achieve this, we adopt our highly-effective, tutee-centred methodology, *LinguaAccelerate*;
