This is what some of our recent guests had to say

Peaceful,sunny and total relaxation 5 of 5.We arrived at Villa Feliz and were met by the owner Steve who showed us the villa. He was very helpful and polite. The villa was immaculate and well equipped and felt very homely. It was nice to see that we had ample towels and bedding and we had our own sunbeds on the terrace just outside the patio door. We were over the moon with the pool and communal gardens. It was lovely and quiet, very peaceful, just what we were looking for.Review Submitted: 02-Sep-2017 Date of Stay: August 2017 Source: HomeAway
