The ABI St David 38'—12 3 Bedroom model is all you will need from your very own home by the sea, its stunning location with views across the rolling hills and countryside of the culver downs—wait till you see the sunset! Now in its 4th generation of design, the warm and welcoming lounge area is generous in space which is arguably bigger than most city apartments to say the least. Rich French Walnut furniture and elegant fabrics flow throughout —seamlessly linking the well-proportioned living space with its compact, but beautifully-finished kitchen. You also have the freedom to bring more of the outside in with larger windows and option to add patio doors. Clutter is the last thing you want in a Holiday Home as stylish as The St.David, so to make sure there's a space for everything, we've added more wardrobe storage in the master bedroom and extra shelf space in the family bathroom. So your perfect getaway stays tidy and free from clutter. You will be amazed by the highlights: * Energy efficient pvcu double glazing. * Double Patio Doors. * Gas combi boiler central heating. * Free standing furniture. * Dining table and high backed chairs. * Stunning Location. * Private Parking. * Private patio area. * Fully fitted kitchen including cooker, hob, microwave and fridge freezer. * Three large bedrooms. * Family bathroom with shower over bath. Only 1 available don't miss!
