If you haven't seen a Nissan Note I would highly recommend having a look. This is a superb little MPV that is bigger on the inside than you would think. There is plenty of legroom in the back for grown-ups and although the boot isn't huge there is room for the weekly shop.

This model in N-Tec spec comes with a whole host of features that you wouldn't expect to find on a small car. You will find Sat Nav, USB Connection, Cruise Control and Air Conditioning in a cabin that is plush and up to date.

Here at a car2go you can drive this away with the peace of mind of having purchased a car from a Trading Standards approved dealer and a 3 month warranty along with our multi-point check.

Finance is available subject to status, Please call for a no obligation quote.
