

Honda Generator (180 GBP)

Location South West, Avon https://www.freeadsz.co.uk/x-588798-z

A 4 Stroke 2.2 KW generator powered by a Honda 4 Stroke petrol G200 engine. It has been stored for many years that is why the paint is a bit flaked. It has new oil, Carb stripped and cleaned and a Twin 13 amp Socket added to the Two 16 amp sockets. This unit is fitted on a carry frame with rubber shock absorbers. Collection only as it is quite.
