

Robo Coupe R401 Commercial blender (900 GBP)

Location **Wales, South Glamorgan**
<https://www.freeadsz.co.uk/x-588976-z>

One of the companies high-end units, the Robot Coupe R401 food processor is an exceptional addition to commercial environments looking to improve their food processing options or increase the quality of their food preparation.

Boasting a 4.5-litre capacity, a stainless steel cutter bowl and a vegetable preparation attachment on the same motor base, the R401 is designed to match the demands of your high volume table service requirements.

Coming complete with a standard smooth blade, 2mm and 4mm slicing discs and a 6mm grater, the R401 can be upgraded and enhanced at any time with the addition of various cutting blade attachments that can improve consistency and added visual flair.

Incredibly simple to operate, the Robot Coupe R401 has three distinct operation modes, with its pulse feature and ABS vegetable preparation attachment with ejection facility ensuring the perfect preparation of all types of vegetables whilst its powerful and robust vertical cutter and mixer make it the ideal commercial food processor.
