Stripping off old paint is often one of the main jobs to be done when you move into an old house. Why spend the weekends when you can have us to take over your restoration project?

Let us do the time - consuming and messy job for you, and bring back the original glory of your home. At Old Door Stripping Essex, we can strip a wide variety of wooden and cast iron items, including doors, tables, furniture, shutters and fireplaces, made of pine, pitch pine and beech wood to oak, walnut, elm and satinwood. With a colorful portfolio and competitive prices, we offer the best solution for every restoration project.

Our team is dedicated to providing excellent, reliable and fast service. We are committed to keeping the prices of our door stripping services reasonable, without compromising on quality.

Let us breathe new life into your wood items and bring back their old!
