

# Bootle and North Liverpool swimming Club

Location **North, Merseyside**  
<https://www.freeadsz.co.uk/x-590293-z>

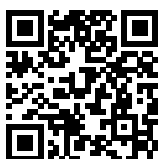

Bootle and North Liverpool is a volunteer run competitive Swimming Club based at Meadows Leisure Centre in Maghull. We have a long history of striving to develop our swimmers skills in the pool but of equal importance their confidence, fitness and health.

The Club is a close-knit team that develops our swimmers through dedicated coaching and competition. We are continually striving to improve our squad and help all our swimmers reach their full potential.

Our Swimmers compete in five internal Club Championships throughout the year. Trophies for these events are awarded in February at an awards evening. Once they reach the age of nine, Swimmers are eligible to be selected to swim for us in the Merseyside Junior swimming league and various charity and invitational competitions we attend. For those who wish to take their Swimming further we enter Swimmers into a number of Galas for individual competition and send Swimmers to trials for the City of Liverpool Swimming Team. We have many Swimmers past and present who have represented Liverpool at the regional and even national level.

If you are an interested swimmer or have dependants that already swim please do not hesitate to contact us. We enrol children from five years old and welcome both swimmers and non swimmers at this age in our small pool.
