Looking for local businesses to design flyers for

Location **London, London**
https://www.freeadsz.co.uk/x-590830-z

Hi there,
 I am a freelance web and graphic designer with over 18 years experience designing for both web and print.
 I am currently looking to build my portfolio and looking for some local companies to design flyers, posters, postcards or any other print material for.
 If you are a business in need of any design work need, I would be pleased to hear from you.
.
