Great example of the Skoda 1.6 petrol with a vary low mileage of 53`000 with full service record and an mot until January 2019. This is a 5 door car with alloy wheel`s and REAR PARKING SENSOR`S. Good tyre`s all round, 2 remote central locking key`s, front fog/driving lights and much more. These petrol version`s of the Fabia have legendary VW build quality and reliabilty with very low running cost`s. A super practical car that drives really well.
