Ever fancied learning how to create your own website? Well now you can!

Our next Website Marketing Masterclass is on Thursday 26th April where you will be given help to create your very own WordPress website.

The topics you will learning include:

Introduction to Wordpress Using themes and plugins Uploading images Writing content

By the end of this session you would have create the basic of a website either for yourself or for another local charity.

This session is free for job-seekers and volunteers however if you are wanting to create your own websites for your business then you just need to pay the annual hosting and domain registration.

See you there!
