A Pair of Electric Beds with Memory Foam Mattresse's.

The beds have a surround making them into a king size bed.

They are individually remote controlled and the head and foot of the beds rise to relieve aches and pains so you can get into a comfortable position giving you a good nights sleep.

There is plenty of STORAGE SPACE under the beds as they have x4 DRAWS to put your bedding etc.

The two Memory Foam Mattresse's contour to the user's body shape giving full head-to-toe support which relieves pressure points across the body giving you a relaxing nights sleep.

Included are two removable washable mattress protectors with no marks and are in excellent condition.

These beds come from a smoke free home and are in very good.
