Jose Ferrer Clasical Maestro BC300 guitar (120 GBP)

Beautiful Jose Ferrer guitar with solid cedar wood top (for added projection) and mahogany back and sides.

It has low tension (light) strings and a nice action for a classical guitar. This guitar is as new-not a solitary scratch or blemish. It is great value.

A 2 1/4" neck at the nut 2.5 at the belly compares well to many steel string guitars. I find that Classical guitars often have very wide necks and moving from Classical to steel string guitars isn't always fluent, it needs a period of adjustment.

This guitar has no such problems for.
