

# Maggie Soterro Prom Dress 8 (175 GBP)

Beautiful silver prom dress by Maggie Soterro with integrated corset. Unfortunately due to poor lighting my photo's don't really do it justice. There are tiny stone embellishments that glitter different colours in the light all around the top of the dress. Worn just once this dress will make anyone feel like a princess for any special occasion. There is a very slight mark on the inside on the corset (but this may come out with a professional clean) which does not detract from the overall appearance. Otherwise it is in excellent condition. £175
