acar2go in Aston Clinton have done it again! They have come up trumps with another fantastic used car that has just hit their forecourt, the ever popular Vauxhall Astra.

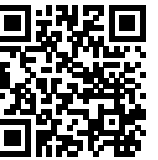

Vauxhall have really targeted the family market with the Astra. The sleek and stylish exterior presents it as a real head turner on the roads. Not only is the exterior fantastic, but it also ticks all the boxes when it comes to the interior. Space is of plenty and the comfortable seats and cushioning suspension setup does a superb job of easing you over bumps and potholes and makes it a fantastic long-distance cruiser. So what about the boot space, well the Astra has this in abundance. The boot space offers an impressive 351 litre capacity beating the Astra's nearest rival, the Ford Focus. All of these fantastic assets help to make it one of the best selling cars in its class.

This stunning example we have here at acar2go comes with a total of 4 stamps in the service with the most recent courtesy of us here at acar2gp. Alongside our service it will also receive our Full multi point check prior to delivery.
