Yet another absolute gem has arrived on the forecourt here at acar2go, The Ford Fiesta 1.0 EcoBoost Zetec!

The Ford Fiesta is a supermini in a class of its own, it looks stylish, it's great fun to drive and extremely economical. The EcoBoost is a real money saver, the 1.0 engine returns a staggering combined MPG of 65.7 and a mind blowing 76.4 MPG on a run. It also falls neatly into Tax Band A which means ZERO Road Tax for the year, yep you saw it right, ZERO road tax!!

The Ford Fiesta is not just good to drive for a supermini, it's one of the best cars to drive of any class and it is a long way ahead of its rivals in this category. The steering is superb, the car is agile and responsive, there's loads of grip, it's good around town as well as on the motorway and it feels fun.

At acar2go we bend over backwards to ensure that we deliver customer service which really is second to none. Not only do we look after our customers before and during the sale but afterwards too. We're Approved by the Trading Standards as well on the Buy With Confidence scheme to give you that all-important peace of mind everybody wants when buying a used car. What's not to like?

As with all of our cars, it's fully HPi clear and comes to you with the promise of a no pressure, genuine sale from people who actually care, read our reviews!
