

Atco Balmoral 14se cylinder mower (375 GBP)

Location

South West, Somerset

<https://www.freeadsz.co.uk/x-592338-z>

You just do not come across the Balmorals in this condition and literally made to last a lifetime if looked after. This Balmoral 14se has done very little work and serviced yearly even if not used so be rest assured a pristine mower. This model was made to give you the option to quickly turn it into a key start version with the relevant add ons if desired.

A lovely mower and ready for the coming.
