A & K Renovations LTD performs residential renovation work, various construction, painting and decorating work.

We are team of two and we do all aspects of building work to high standard and we have experience of 10 years in trade behind us. Having worked with for some large companies we have decided that our passion is home renovations. Our specialization is painting/decorating, carpeting and all related installments, tilling and floor fitting and all other little jobs that you may need done along the line. We are friendly and reliable and will always advise on most suitable options for whatever ideas you may have in mind for your home. You will be pleasantly surprised by what we can!
