Household Services For All Over London

Hello,

I am offering household services for the whole of London. I am currently doing a masters but I am trying to establish my household business on the side and would love to build up clientele so I thought I would give this a go.

I offer services that include the following:

Cleaning residential or private properties

Mail waiting

PA services

Child minding

Picking and dropping kids off at school

Food preparation

Personal Shopping (Groceries or Clothing)

Launderette and Dry Cleaners pick up and drop off.

Dog Walking

Pet Sitting

My services are for the time poor and I also work on weekends.

I cover north, south, east and west London and I am based in west London. I am available to start ASAP.

It is my job to make your life easier through attending to what you can't.

I am really trying to build a brand and be a successful business woman so I was hoping to start here for

some exposure and more experience.

I am a very down to earth and cheerful person at £11 an hour I can clean your house as well as offer other household services. I am a one woman team but looking for a partner to help me grow my business.

Forward to help me grow my business.
