West Midlands, West Midlands

This is a gorgeous set of solid dining table and 2 chairs.

They have been painted in quality chalk paint, distressed by hand and waxed for protection. The table top has been sanded table top has been sanded back to its original look and waxed several times.

This is a dropleaf table so has many variations which makes it suitable for any home.

Please note this is a pre-loved item which will show signs of its previous life with knocks, dints and bumps, all of which add to the character and charm of such pieces. The item has been hand-painted in which means there may be faint brush marks etc, so please do not expect a spray factory finish.
