Sit back and relax as the Vauxhall Insignia in my opinion is one of the most comfortable saloons on the used car market.

Back in 2008 when the Insignia first arrived on the UK roads the Vauxhall Insignia rapidly become the one to have for anyone that does a lot of drive. But why I hear you ask, well it's truly market leading when it comes to comfort! The interior of the Insignia is a lovely place to sit, whether drive or being driven. The driving position is sublime with all the creature comforts we all love on those long motorway journeys. Not only is the Insignia lovely on the inside, but also on the outside. The cars sleek and smooth exterior helps to make the Insignia almost coupe-like in its appearance rivalling the likes of Audi and BMW. You could say you would make all of your neighbours jealous when you rock up in your New Vauxhall Insignia.

This gem we have here at acar2go comes with a Full service history and also receive our Full multi point prior to delivery, all helping to give you that extra peace of mind when driving away in your new car.

This is a very rare car and will not be on our forecourt for long, so be quick, very quick!
