Lovely Wooden Butler's Tray On Folding Stand / Luggage Rack. Unused. Undamaged. Boxed. Multi Functional For House Or Garden. Lounge, Bedroom, Kitchen, Hall, Bathroom, Conservatory. Very Good Condition.

This is an elegant wooden Butler's tray on a matching folding stand with four fabric straps. which doubles up as a luggage rack to hold a suitcase so that its contents don't fall on the floor.

It is a really useful practical, multi functional item for use throughout the home. The tray lifts off the stand and can be used separately. The stand can be used on its own as a luggage rack. The stand folds so it can be tucked away when not required. Both items are lightweight and easy to move around.

This Butler's tray and stand could be used as a side table, or console table, in a lounge, hall, bedroom, kitchen, bathroom, or conservatory. It could also be used to serve refreshments in the garden, although it should not be left outside all the time.

This item would really be appreciated by visitors in a guest bedroom - particularly if stocked up with water, biscuits etc.

The stylish, sturdy and durable rectangular tray has curved top edges and integral carry handles at either end. Its stand has unusual curved legs.

This set is made from attractive light coloured natural rubberwood, which has an interesting grain and patina. This durable hardwood from the rubber tree was harvested from sustained plantations where the trees were beyond their best latex producing years.

If you so wished it would be easy to apply paint in a colour of your choice.

No assembly is required, other than to place the tray on the stand.

Height (to the top of the tray when on its stand) approximately: 63 cm.

Width (approximate): 60 cm.
Length (approximate): 120 cm.

Stand (approximate size): 60 cm wide and 80 cm high. A previous owner has had the tray and stand for over 10 years and they have been used a lot but it is undamaged and is still in its original packaging. I purchased these Butler's tray and stand sets for use throughout my home - from Lakeland (who are renowned for selling quality products).

Please study the photographs provided to make your own assessment regarding the condition of the tray and stand. Please note that these have not been offered for sale and are not for sale. Please be surprised to find that these have been offered for sale.
