

Male Lop Eared Rabbit (15 GBP)

Location **South West, Avon** https://www.freeadsz.co.uk/x-593618-z

Adult male rabbit for sale

We can't keep him anymore due to not getting along as well with the other male

Would like him to go to a good home where he can roam around freely and will have another rabbit to be with

He's very calm and friendly and likes to be petted but isn't used to being
