Pemberton is proud to offer the Avon, inspired by contemporary living. The bright airy living room has been brought about by using light acacia wood, powder blue curtains and mushroom coloured upholstery. There is ample room for all the family to relax and enjoy their time together. The extremely functional kitchen offers generous counter space, integrated cooker, extractor hood and housing units for a microwave, fridge and freezer. The bedrooms have been well-designed providing generous storage options with space under the beds, built in wardrobes and overhead cupboards. The soft tones of purple and oatmeal create a warm and inviting atmosphere perfect for a good night's sleep. Pemberton give great emphasis to the quality and build of their leisure homes. The Avon has now been built to a higher energy efficiency specification with thicker wall sections and increased insulation throughout to provide higher comfort levels at any time of the year. 1 year warranty Holiday Home Use Only Full Siting & Connection Included Choice of Pitch Connection to Piped Gas (where available) Images supplied by manufacturer and therefore some items are for display purposes.
