I just want to say Thank You to everyone who supported me through the years. My name is Manuel Franco, 24, New Berlin Wisconsin. My story of how I won the Powerball lottery of \$768.4M is a bit of a tale. I have been playing Powerball tickets for 6 years now since I turned 18. I bought my first ticket on my 18 birthday. I was feeling very lucky that day because I had contacted Prof Ibrahim to help me with the winning Powerball numbers. I really had that great great feeling that I looked at the camera wanting to wink at it. I only did a tiny part of it and trusted him. He gave me the numbers after I played a couple other tickets along with it for \$10. I checked my ticket after the winnings came online and saw the numbers were correct including the Power play. I screamed for about 10 minutes because it felt like a dream. I had won \$768.4M. This happened in April, 2021. You can check my winning testimony with the lottery officials just with my name search. Thank you Prof Ibrahim. Well, his email profibrahim98@gmail.com, Tel: +27785149508 / <http://www.africanancientspells.com>
