A small group of people are being pursued by a blood thirsty assassin organization. The group manages to stay one step ahead of the killers, all the while wondering how it is that their whereabouts, from city to city, country to country, are known to the wrongdoers. And there is the puzzling question overall—why are they being pursued in the first place?

E-BOOK FORMAT IS AVAILABLE WORLDWIDE. Read these 2 e-books for FREE on Amazon Kindle Unlimited.
