A black car with a powerful, fire-spewing engine causes deadly accidents involving police officers. A police department is seeking to stop the car but soon question what they are chasing. The lethal car and its driver seem possessed. Nothing the police have done is able to stop the car. Then a mysterious man comes forward with information about the car. The jarring information and the man himself signal a clear warning that police best proceed with extreme caution.

E-BOOK FORMAT IS AVAILABLE WORLDWIDE.
