There's something about an inmate that suddenly vanishes from a prison that has raised red flags within several clandestine branches of government and has drawn the attention of two assassins ***** bent on killing him. Caught between the killers and government agents, an investigative reporter can't help but question all the attention paid to a missing inmate. Why is the government trying hard to keep the inmate missing instead of returning him to prison? And most importantly, why is everyone trying to ***** the reporter?

Available in eBook and paperback format. E-BOOK FORMAT IS AVAILABLE WORLDWIDE.
