A small group of individuals is being pursued by an assassin organization. They consistently manage to avoid capture, but question how their locations are being tracked across cities and countries. The reason behind their pursuit remains unclear.

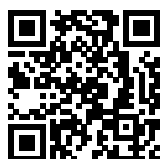

The story features two trauma surgeons, a neural surgeon, government agents, contract killers, two young men who can see the future, an emperor with an enforcer, two international assassin organizations, a mind reader, a woman with exceptional speed, a family with unique abilities, and a Secret Service Agent with an altered mind.

These novels are offered in e-books, paperback, and hardcover formats. E-books are available globally. Pricing and format may differ by country. Read these 2 novels free on Amazon Kindle Unlimited. For more details, visit his website <http://www.joelgoulet.net>
