Absolutely beautiful standard 2 and a half year old Kc Reg female English Bulldog. NooNoo is a small stature female with a wonderful playful character with not a bad bone in her body. We rehomed her around 12 months ago as we wanted a cuddle buddy for our older male bulldog as we had lost his best friend suddenly some months before to a massive heart attack and he was really lost and pining for her. They were, and still are, fantastic together but unfortunately NooNoo is a very anxious and timid dog. Our male bulldog is an extremely laid back and relaxed dog but he doesn't seem to have been able to reassure her at all. NooNoo is a perfect armchair companion likes to jump up for cuddles when she fancies, enjoys running and playing around the garden, enjoys going for walks and is fine in the car but she never seems to relax every little noise and movement scares her all the time. We are looking for a loving new home for her where she can relax and feel comfortable as we think our 12 year old autistic daughter is too much for her with the constant movement, noises and loud voice that is the only reason we need to rehome. We have tried everything help them settle into their new home. Parents are healthy, gentle and loving. please can you contact me direct on whatapp number +447879708723 and email address marysuzy784@gmail.com for more detail and some pictures
